

Suggestions for inclusion in Crowborough Town Council's Business Plan

Ideas taken from committee minutes in 2017

Communications and Events

- Investigate Crowborough becoming a WiFi enabled town.
- Continue to raise the profile of Crowborough through events.
- Replacement of the marquees.
- Purchase of a silent generator.
- Running of the Library.
- Creation of Crowborough Museum.
- Creation of a Tourism Information Hub.
- Clubs and activities Roadshow so residents can see what is available in the Town to join.

Environment Committee

- Taking over verge cutting services - High
- Taking over street cleaning - Low
- Taking over street lighting - Low
- Including the management plans as part of the business plan - High
- Including the priority listing for highways match funding projects - Medium
- The establishment of a bus station in Crowborough - Low
- The possibility of using the grounds staff to carry out work in other neighbouring parishes – High
- Town centre regeneration, traffic flow / pavements / making the town more pedestrian friendly - Medium
- The pocket park - High
- Growing the Community Warden team - High
- Review CCTV monitored by Sussex Police - Low
- Additional land purchasing - High
- Contracts for dog waste and street refuse collections - Low
- Operating / contracting a circular Town bus route - Low

- Sponsorship of green areas - Medium
- Crowborough walking trail - High
- 20's Plenty Campaign - Medium
- South East in Bloom and I Care for Crowborough - High
- Change zebra crossing in Jarvis Brook to a Pelican crossing - Medium

Finance and General Purposes

- Youth activities
- Recording of Public Meetings Policy including practicalities such as the equipment needed
- The running of Pine Grove
- Crowborough becoming a WiFi enabled town
- Function the Council could take on run better and in some instances make money from, such as verge cutting and the library
- Support business sites development for town rejuvenation
- Crowborough Partnership – CTC engaging with other groups in the town to keep the town alive
- Pedestrianisation of the High Street
- Applying for grants and outside funding on behalf of all committees, to enable consistent corporate approach in applications and to maximise opportunities in this area. Employing an independent consultant paid on a commission basis only may be a good way to achieve this.
- Responsibility of F&GP to review Business Plan regularly and keep up to date.

Personnel

- Ongoing monitoring and planning for staff training

Planning and Development

- £2,000 for publication pertinent to planning and development
- £500 for a new wireless printer
- Reviewing Top of the Weald – A Vision for Crowborough and re-consider a Neighbourhood Plan

Sport, Recreation & Cemetery

- Additional athletics facilities at Goldsmiths recreation ground - Medium
- An upgrade to a 3G football pitch at Goldsmiths recreation ground - Low
- Allowing installation of a mobile phone mast on the unused land at Owlsbury Farm - High
- Improved lighting at Jarvis Brook recreation ground - Medium
- Phased implementation of the Summersales cemetery development - High
- Replacement of the pavilion at Wolfe recreation ground - High
- Reviewing arrangements for the kiosks at Goldsmiths and Wolfe recreation grounds - High
- A planned schedule of playground equipment replacement - Medium
- Future land purchases for recreation use - High
- The Pump track - Medium
- A planned schedule of building maintenance - Medium
- Refurbishment of Canada Green - High
- A complete circular footpath at Goldsmiths recreation ground - Low
- Equipment replacement - Medium
